Farage's crypto fantasies are a risk British taxpayers can't afford to take

City AM (News) · Wed, 15 Oct 2025 04:16:00 +0000

Nigel Farage's proposed crypto policies — including a £5bn national bitcoin reserve, a flat 10 per cent crypto tax, and rejection of a digital pound — are bold in rhetoric but economically reckless, risking public funds on volatile assets and undermining fiscal stability, says Tim Focas Nigel Farage has taken to the st

Wednesday briefing: The new, devastating flood risk facing nearly all of Britain

Guardian (UK News) · Wed, 15 Oct 2025 05:22:35 GMT

In today's newsletter: Flooding is predicted to become so bad that some towns may need to be abandoned, and it's not even campaigners raising the alarm – but insurers Good morning. For years, whenever I read about parts of Britain being wrecked by flooding, it always felt like something distant – because until your hou
