[The Guardian] Labour are 'handmaidens' to Reform UK's 'dangerous' politics, Polanski to tell Green conference – UK politics live

Fri, 03 Oct 2025 09:21:07 GMT

New leader to make case for immigration, more investment in public services and a wealth tax as Green party membership hits record high Zack Polanski has set out some of the arguments he will be using in his Green party conference speech later in an article for the Guardian. In it, he defends immigration, saying it has
