[City AM] Badenoch 'rebuilding' Tories as she marks a year as leader, she says

Sun, 02 Nov 2025 06:00:00 +0000

Kemi Badenoch has said she is "rebuilding" the Conservative Party, as she marks her first year as Tory leader. Badenoch's first anniversary since taking over as Tory leader is on Sunday, November 2. She came to the helm of the Conservative Party after a leadership contest triggered by Rishi Sunak's resignation in the w

[The Guardian] Tory patience wears thin as Badenoch's critics count down to May elections

Sun, 02 Nov 2025 05:00:54 GMT

With the party adrift and Reform surging, Jenrick's allies are sharpening their pitch for a post-election reset. At an opulent speakeasy-style event at the Raffles hotel on Whitehall this week, the great and the good of what is left of the Conservative party marked the Spectator's parliamentarian of the year awards. Wit
